 RE: 1978 Burnaby Health Department Report
 Item 2, Municipal Manager's Report No. 69 - 1979 October 15

RECOMMENDATION:

THAT this report be received for information purposes.

REPORT

The Health Advisory Committee was established as a Superintendent's Committee circa 1977 December in response to expressed concerns about the allocation of nurses' hours in the Burnaby Schools. The Committee was composed of Dr. Hemming, Ms. L. Thornton, two Burnaby school principals and Mr. J.G. Edwards, Coordinating Principal (chairperson). The Committee made a survey of the District to determine if there were other additional health related concerns which should be addressed. An analysis of the concerns provided a much larger area to be studied.

The Committee as presently operating is (1) a Superintendent's Committee (2) composed of:

Dr. S.L. Hemming	Health Department
Miss L. Thornton	Health Department
Mr. J.V. Borelli	Principal, Burnaby North Senior Secondary
Mr. A. Henderson	Principal, Alpha Secondary
Mr. J. Hodgins	Principal, Brentwood Park Elementary
Mr. G.H. Wilkins	Principal, McPherson Park Junior Secondary
Mr. E. Sinclair	Principal - Coordinating (Chairperson)
