ITEM 4
MANAGER'S REPORT NO. 25
COUNCIL MEETING 1981 06 01

As you are aware, asphaltic supply contracts are not simply selection of the apparent low tender. It is necessary to consider truck hauling distances and resultant costs in order to determine which Supplier would best serve the Corporation's interest. For this reason, bidders are required to state locations of asphalt plants for use under this contract.

109

Plant locations noted on the tenders were as follows:

<u>NO.</u>	<u>COMPANY</u>	<u>LOCATION</u>
1	B.A. Blacktop	#6 Riverside Drive, North Vancouver, B.C.
2	Columbia Bitulithic Ltd.	2300 Roger Avenue, Coquitlam, B.C. (and) Mitchell Island, Richmond, B.C.
3	Imperial Paving Ltd.	8371 River Road, Richmond, B.C.
4	Winvan Paving Ltd.	430 Edworthy, New Westminster, B.C.
5	Jack Cewe Limited	Pipeline Road, Coquitlam, B.C.

Staff from the Engineering Department have taken into consideration travelling distances to the various plants.

A combination of the schedule of approximate quantities coupled with the unit prices submitted by the low bidder, Winvan Paving Limited is as follows:
