REPORT

The Parks and Recreation Commission received copies of the Planning Department Report to Council and the George Derby Study Group Report at its meeting of 1981 February 18.

At its meeting of 1981 March 18 the Commission decided that Council should be advised that the Commission has no problem in agreeing with the acceptance of the Land Use Options outlined in the Study Group Report as the pre-requisite for settling the disposition of the George Derby Hospital Lands.

Dennis Gaunt,  
ADMINISTRATOR.
