TO: MUNICIPAL MANAGER 81 11 13  
FROM: DIRECTOR ENGINEERING  
SUBJECT: PICK UP OF SOLID WASTE FROM COMMERCIAL  
PROPERTIES - PROPOSED RATE CHANGES

RECOMMENDATIONS:

1. THAT Council approve the proposed rates as listed in Appendix "B" of this report and that these rates become effective on 82 01 01.
2. THAT the Municipal Solicitor bring forward the required amending bylaw.

REPORT

In a report to Council dated 78 06 19, Item 17, Manager's Report No. 46, certain recommendations were made and these were adopted by Council. Recommendation No. 3 was "THAT the following changes, which represent the up-dated "going rates" for rental and collection of all containers be approved."

A copy of the rates presently in force is attached as Appendix "A" and a copy of the proposed rates as Appendix "B".

In order to comply with Council's direction with respect to "going rates", charges made by private contractors are monitored and Burnaby's rates are set to reflect the general trend of "going rates".

The rates for commercial cans and bulk refuse have been increased to allow for increased costs.
