TO: MUNICIPAL MANAGER 80 12 29  
 FROM: MUNICIPAL ENGINEER  
 SUBJECT: SPECIAL ESTIMATE

I wish to submit the following special estimate for your consideration.

W.O. #

---

60-21-028	Madison Avenue - Douglas Road to north property line of Loughed Highway. Construct new and upgrade existing water main with necessary appurtenances and fittings by Municipal forces. CHARGE: 60-21-028	\$7,000.00
-----------	--	------------

ADDITIONAL INFORMATION: At its meeting of 80 12 22, Council directed the Engineer to determine an equitable cost sharing arrangement for the construction of the Madison Avenue water main required in conjunction with Rezoning Reference #24/80.

In accordance with the "rules" applied to road upgrading by Local Improvement, water main replacement costs are always borne by the Corporation's Water Utility. Furthermore, the development under Rezoning #24/80 does not require this water main; it is being constructed solely for general water distribution improvement to the area as a whole.
