REPORT

Enclosed in Council's envelopes with this week's agenda is the Health Department's Community Health Services Annual Report for 1980. Members of the public and the media wishing to obtain a copy may do so by request at the reception area in the Health Department.

An attempt was made to submit this report earlier but a long delay was encountered due to the civic strike and the more urgent work assignments had to be completed when employees returned following the strike. We expect the 1981 report to be available for referral to Council in April of this year.
