1982 January 11

TO : MUNICIPAL MANAGER
 FROM: DIRECTOR RECREATION & CULTURAL SERVICES
 RE : CENTRAL PARK PARKING BY-LAW NO. 7019

RECOMMENDATION:

1. THAT Council request the Municipal Solicitor to alter Central Park Parking By-Law No. 7019 as outlined in this report.

REPORT

At its meeting of 1982 January 13 the Parks & Recreation Commission received a report advising that the charges in the subject by-law relating to the impounding and removal of vehicles were outdated.

The Municipal Solicitor has proposed that the by-law be amended as follows:

- (a) Delete Schedule A (Attachment #1)
- (b) Delete the following words from Clause 6:
 "which are authorized by this by-law and set out in Schedule "A" annexed hereto."

Clause 6 will now read as follows:

"Any motor vehicle parked in violation of any of the provisions of this by-law may be removed, detained or impounded by an authorized contractor and the owner of the said motor vehicle shall pay to the said contractor, before the said motor vehicle is returned to his possession, the costs of such removal, detention or impoundment."

This change will ensure that any future cost increases will be covered by the existing by-law.

The Commission approved the recommendation to alter the By-Law.
