REQUEST TO CONDUCT BICYCLE RACE 82 04 09

RECOMMENDATIONS:

1. THAT Council grant permission to the applicant to conduct the requested bicycle race along the proposed route at the stated times subject to the conditions contained within this report.

The captioned request is similar to previous requests which have been received and permission granted. We are not aware of any complaints about the previous events from either the public or the R.C.M.P., therefore, we see no objections to this proposed event if the same conditions are met. These conditions are:

1. That the Association accept all responsibility to ensure the safety of both participants and the public along the approved route for the duration of the races, and
2. That the Race Organizer provide all marshalls and warning signs as indicated in their application.

The R.C.M.P. were consulted on this report and concur with the conditions set forth and the recommendation of the Director Engineering.
