RECOMMENDATION:

1. THAT Work Order No. 60-32-057 be approved.

W.O. #

60-32-057

Construct storm sewer with all necessary fittings and appurtenances on Gilmore Avenue at Grandview Highway and in the lane, north of 4100 Block Grandview Highway.

Design #830012.

CHARGE: 1983 Capital Budget

Code 32 - Storm Sewers

\$34,250

ADDITIONAL INFORMAT : This work order is required to cover cost of constructing storm sewer in lane north of 4100 Block Grandview Highway. Although most lanes do not require storm sewers, this one does because of the extremely wet ground conditions and also because there is a low point which must be properly drained so as to remedy the current situation whereby drainage flows onto adjacent private property. Funds are available in the 1983 Capital Budget.

\$34,250
