RE: WASTE MANAGEMENT

Madam and Gentlemen:

On 1983 November 02, Alderman Emmott and I attended a Greater Vancouver Regional District Board Special Meeting on Waste Management to hear a presentation by the Provincial Ministry of the Environment about the Provincial Special Waste Management Programme.

The Ministry had asked for this meeting in order to inform the Regional District representatives of the Special Waste Program and the procedures intended to be followed in its implementation.

As you are aware, some of the facilities required by the program will most probably be located in the Greater Vancouver area and it is important that we be aware of the procedures to be followed in this matter.

We received a handout at this meeting which is available for reading in the Aldermen's Office.

Respectfully submitted,

William A. Lewarne,
M A Y O R

WAL/dew
