W.O. #

60-32-058

Reconstruct storm sewer on Silver Avenue from Beresford Street, north to Kingsway and 80 m east.

CHARGE: 1983 Capital Budget

Code 32 - Storm Sewers

\$92,000

ADDITIONAL INFORMATION: This work order is to cover the cost of reconstructing an existing storm sewer on Silver Avenue, which is old, in very poor condition, and totally inadequate to properly drain the tributary area. Ongoing operation and maintenance drainage problems dictate that the Corporation undertake its obligation now independently of the uncertain future land use developments in the area. Funds are provided in the 1983 Capital Budget.

\$92,000
