1983 JANUARY 31

TO: MUNICIPAL MANAGER  
FROM: DIRECTOR RECREATION AND CULTURAL SERVICES  
RE: REBUILDING OF EDMONDS HOUSE

RECOMMENDATION:

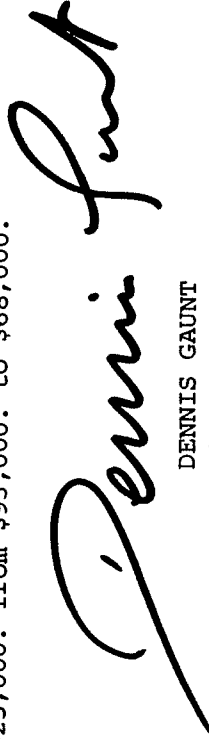

1. THAT Municipal Council give prior approval to the expenditure of approximately \$68,000 from the Parks and Recreation Commission's 1983 Contribution to the Capital Budget prior to the approval of the 1983 Annual Budget for the purpose of effecting additional improvements during the rebuilding of the burned-out Edmonds House.

REPORT

Appearing elsewhere on this agenda (Item 9, Page 132) is a report on the Rebuilding of Edmonds House.

Since the report was prepared, further clarification has been received from our Insurance Brokers with respect to the Corporation's coverage on the contents of Edmonds House. Contents loss was estimated at \$56,000. Previous information indicated that we would only recover \$31,000. through our insurance policy.

The Broker has now clarified that the entire \$56,000. of contents loss will be recovered through the insurance policy. The request for prior approval has therefore been reduced by \$25,000. from \$93,000. to \$68,000.
