1984 JANUARY 18

TO : MUNICIPAL MANAGER
FROM: DIRECTOR RECREATION & CULTURAL SERVICES
RE : 1984 CAPITAL DEVELOPMENT OF WHELAN WALKWAY

RECOMMENDATION:

1. THAT Council approve in advance of the 1984 Annual Budget the expenditure of \$20,000 from the 1984 Parks & Recreation Commission Capital Budget for the development of a new trail from Whelen Court to Haszard Street.

REPORT

At its meeting of 1984 January 18 the Parks and Recreation Commission received a staff report relating to the development of a trail link from Whelen Court to Haszard Street.

Funds for development are included in the Commission's 1984 Capital Budget and staff requested approval for expenditure of the funds in advance of the 1984 Annual Budget.

The work is typically winter work and an early start will ensure that the trail is available for the summer of 1984 to provide pedestrian access to Deer Lake for Buckingham Heights residents from a number of whom a petition has been received requesting the development.

The Commission adopted the following recommendations:

1. THAT the Commission authorize the expenditure of \$20,000 from the 1984 Capital Budget for construction of a new trail from Whelen Court to Haszard Street.
2. THAT the Commission request Council approval for the prior expenditure of these funds.
