

RE: LETTER FROM MR. JOHN NEILSON OF TELEGLOBE CANADA
VANCOUVER GATEWAY, 1158 Melville Street,
VANCOUVER, B.C. V6E 2W9

MUNICIPAL MANAGER'S RECOMMENDATION:

1. THAT the recommendation of the Director Engineering be adopted.

* * * * *

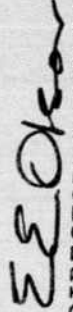

TO: MUNICIPAL MANAGER 84 09 19
FROM: DIRECTOR ENGINEERING
SUBJECT: REQUEST FOR CLOSURE OF WILLINGDON GREEN - 84 11 07

We have had initial discussions with Teleglobe Canada regarding the captioned request. Our only concern with this request is that the closure not interfere with the construction which may be occurring on adjacent properties. To this end we referred Teleglobe to the architect for the development on the neighbouring property. Our recommendation to approve the request is based on the assumption that the contact was made and that Teleglobe Canada will not be adversely affecting work on this site. Teleglobe Canada will be responsible for the provision, erection and removal of the necessary barricades and signs to affect the closure.

RECOMMENDATIONS:

1. THAT Council approve the requested closure subject to the conditions contained in the Engineers report.
2. THAT a copy of this report be sent to Teleglobe Canada, 1158 Melville Street, Vancouver, B.C., V6E 2W9.
