SUBJECT: ILLEGAL PORTABLE SIGNS  
 BURNABY SIGN REMOVAL  
AUTHORIZATION BYLAW NO. 4, 1984

RECOMMENDATION:

1. THAT this report be received for information purposes.

REPORT:

On 1984 February 27, March 19 and June 11, Council received information reports outlining the Building Inspection Division's progress in enforcement of the Burnaby Sign Bylaw with respect to illegally displayed portable signs. Council subsequently passed Burnaby Sign Removal Authorization Bylaw Nos. 1, 2 and 3 providing for the removal of particular signs where the owners or occupants had failed to remove them following proper notice.

Through ongoing staff involvement, the overall incidence of large illegal portable signs has decreased greatly. A summary of current statistics is provided:

Total number of offending locations recorded	133
Signs voluntarily removed	119
Signs impounded under Removal Bylaw No. 1	3
Signs impounded under Street & Traffic Bylaw	4
Outstanding signs being processed	2
Signs to be dealt with under Removal Bylaw No. 4	5
	<u>133</u>

The Municipal Solicitor is now preparing a fourth enforcement bylaw under Section 735 of the Municipal Act to authorize the removal of 5 outstanding illegal portable signs. This bylaw will be presented for first, second and third readings on 1984 December 03, and for final adoption on December 10.

This is for the information of Council.
