MANAGER'S REPORT NO.	68
COUNCIL MEETING	84/10/29

W.O. #

60-32-060 17th Avenue storm sewer.

135

Construct storm sewers and all necessary appurtenances in 7500 Block 17th Avenue and on Mary Avenue from 17th Avenue to 14th Avenue.

CHARGE: 1984 Capital Budget, Item 60-32 Storm Extensions. \$95,000

ADDITIONAL INFORMATION: Property owners in the 7500 Block of 17th Avenue petitioned for the installation of storm sewers independent of a local improvement project. Extensive work was required in determining the justification for the sewers alone and the most feasible way of meeting the perceived need; this Work Order recognizes our conclusion that storm sewers are justified. The property owners have been kept advised of the progress and the outcome of our investigations.

Sufficient funds have been allotted in the Capital Budget under Code 60-32 under the description "Local Streets - specific problems and ditches in lanes".
