60-14-001

Fire Preemption Signal. Install traffic control device at Brighton Street and Loughheed Highway including installation of service duct between Brighton Fire Hall and signal control on Loughheed Highway.

CHARGE: 1983 Capital Budget,
Code 14 - Traffic Management \$74,000.

ADDITIONAL INFORMATION: This Work

Order is reissued to increase the estimate in the amount of \$9,000 to cover the cost of installation of service duct between the Brighton Fire Hall and the signal controller at Loughheed Highway. Funds are provided in the 1983 Capital Budget under Traffic Management.

60-14-076

To purchase six automatic electro-mechanical traffic counters.

CHARGE: 1983 Capital Budget,
Code 14 - Traffic Management \$28,000.

ADDITIONAL INFORMATION: This Work

Order is to cover the cost of replacing our six obsolete automatic electro-mechanical traffic counters, three or four of which are continually out of service. The new counters will be solid state, with one data retrieval unit and one matrix printer. These new units will save many man-hours of tedious visual analysis of counter tapes per month as data from each
