R E P O R T

At the Council meeting of 1984 January 30, Mayor Lewarne referred to a letter from the Burnaby Chamber of Commerce that expressed interest in assisting in putting together a proposal for the use of the Hart Mansion as a Faculty and Businessmen's Club.

Council will recall that at the 1984 January 30 meeting it authorized Staff to work with TDAC Management Corporation who have presented a specific proposal for a restaurant subject to receipt of proof of financial capability to undertake the project.

Staff has met with the principals of TDAC since the Council meeting and they have confirmed their intention to proceed with the project. In the event that TDAC are unable to follow through with their proposal, Staff will inform the Burnaby Chamber of Commerce in order that they may examine the feasibility of presenting a proposal for the use of the Hart Mansion as a Faculty/Businessmen's Club.
