RE: (1) SOLID WASTE INCINERATION PROJECT -
VISIT TO EUROPE
(2) "TWINNING WITH LOUGHBOROUGH" PROPOSAL -
VISIT TO ENGLAND

Madam and Gentlemen:

At the Greater Vancouver Regional District Board Meeting on
1984 April 24, the following resolution was passed:

"THAT a visit by the Chairman and the Water and Waste
Chairman to the facilities of the three partnerships
who have been invited to bid on this project be authorized."

For your further information, the three selected bidders have
invited the G.V.R.D. Chairman, Mayor Don Ross, and myself as the Chairman
of the G.V.R.D. Water and Waste Management Committee, to view operating
incinerators in Switzerland and Denmark. These incinerators are of
similar size and produce similar amounts of energy to those that are
being proposed here. This trip will give us the opportunity of gaining
firsthand knowledge of the operation of these facilities.

I have arranged to take a side trip to Loughborough (home town
of Robert Burnaby) on my return flight. This will provide an opportunity
of discussing further the possibility of Burnaby twinning with Loughborough.

I would therefore advise that I will be absent from the
Municipality from May 13th to 29th, inclusive.

Respectfully submitted,

William A. Lewarne,
M A Y O R
