

THE CORPORATION OF THE DISTRICT OF BURNABY

REPORT OF THE GRANTS AND PUBLICITY COMMITTEE

HIS WORSHIP THE MAYOR
AND MEMBERS OF THE MUNICIPAL COUNCIL

Madam and Gentlemen:

Your Committee would report as follows:

Application
No. _____

18. Vancouver Neurological Centre

On 1985 March 25, Council adopted the recommendation of the Grants Committee that no grant be given to the above organization. Following the appearance of a representative as a Delegation from the Centre, on 1985 April 29, Council referred the application back to your Committee for further consideration.

Your Committee would respectfully remind Council of the various points raised at the meeting of March 25, i.e.

- It was felt that funding was the responsibility of the Provincial Ministry of Health;
- The Society is funded by the United Way to which Burnaby makes a major contribution;
- The fees charged to the users were considered low; and
- It is contrary to our Grants policy and guidelines to allow for salaries and benefits.

Your Committee would reaffirm its earlier recommendation that no grant be approved for this organization.

Recommendation - Nil

45. Space Update: 1986

On 1985 September 30, Council referred the above application back to your Committee for further consideration.

In the light of further information received and the ensuing discussion on the subject, your Committee would now recommend that \$500.00 be approved towards the production of the quality Resource Book for the Pacific Methods Conference on Space and Earth Sciences to be held in 1986 at the Burnaby South Secondary School.

Recommendation - \$500.00
