

REPORT  
Regular Council Meeting  
1985 October 15

File: 1888

THE CORPORATION OF THE DISTRICT OF BURNABY

COMMUNITY STANDARDS COMMITTEE

HIS WORSHIP, THE MAYOR  
AND ALDERMEN

Madam/Gentlemen:

REPORT OF THE COMMUNITY STANDARDS COMMITTEE

RECOMMENDATION:

1. THAT the Community Standards Committee be authorized to host two (2) public forums for the purpose of receiving vocal expressions and opinions from the community regarding community standards in Burnaby.

R E P O R T

Council, at the regular Council meeting held on 1985 June 03 received a report from the Community Standards Committee requesting authorization to conduct a series of community forums for the purpose of receiving vocal expressions and opinions from the community regarding community standards in Burnaby, and further, requested authorization to contact identified service clubs serving the municipality requesting their sponsorship and/or participation in the proposed community forums. The report concluded by advising that there may be undetermined costs associated with the holding of the community forums and therefore would be the subject of a further report to Council.

As a result of Council's approval of the recommendations, approximately thirty (30) letters were sent to service clubs in the community requesting they take an active role in the proposed forums and to date, one letter has been received acknowledging the Committee's correspondence.

Your Committee feels that it would be appropriate at this time for the Committee to host two (2) public forums possibly in late October and early November at Burnaby North Secondary School and at Burnaby South Secondary School, and that advertisements be placed in Burnaby Now outlining the details of the proposed forums. There will be expenses involved with advertising, staffing and equipment rental.

Council will be advised of the times, dates, locations and format of the proposed public forums.

Respectfully submitted,
