R E P O R T

Appearing on the 1985 December 09 Council Agenda was correspondence from Mrs. E. Elwood, 8134 - 14th Avenue, requesting response to five questions concerning the G.V.S. & D.D. Municipal Refuse Incinerator.

Previous questions from Mrs. E. Elwood regarding the G.V.S. & D.D. Municipal Refuse Incinerator were reported to Council on 1985 November 25.

G.V.S. & D.D. Engineering has been forwarded Mrs. Elwood's current questions and requested to provide a written response to Mrs. Elwood and this Division.

We have discussed with Mrs. Elwood the environmental issues concerning the G.V.S. & D.D. incinerator. As Mrs. Elwood has many questions on this subject, arrangements have been made for her to attend a meeting on 1985 December 19, 4:30 p.m., in our office, at which time we will review consultant's reports and material which this Division has collected during the course of this project.

Submitted for the information of Council.
