TO: MUNICIPAL MANAGER
FROM: DIRECTOR ENGINEERING
SUBJECT: MUNICIPAL SERVICES TO 7374 BARNET ROAD

RECOMMENDATION:

1. THAT a copy of this report be sent to William and Sharon Constable of 7368 Barnet Road, Burnaby, B.C., V5A 1E4.

REPORT:

Appearing on tonight's Council Agenda is a request from William and Sharon Constable that they be provided with certain information concerning the servicing of a vacant lot owned by them and located at 7374 Barnet Road.

Your Director Engineering feels that because of the complexities and the number of questions in the Constables' letter that only an interim report should be made at this time. Some of the questions relate to happenings of many years ago and answers will take time to determine. Also, it appears to be prudent to be asking for a legal opinion regarding the Corporation's responsibilities and obligations in providing full servicing of this lot.

The Director Engineering intends to meet with the Constables in an effort to satisfactorily resolve their concerns.

Council will be advised as to the outcome of the matter.
