\* \* \* \* \*

TO: MUNICIPAL MANAGER 1985 11 20  
 FROM: DIRECTOR ENGINEERING  
 SUBJECT: WORK ORDERS NO. 60-32-062 AND 60-32-063 AND 60-14-087

RECOMMENDATION:

THAT Work Order No. 60-32-062 - Storm Drainage Improvements - Sundry Locations and Work Order No. 60-32-063 - Storm Drainage Improvements - Big Bend Area, and Work Order No. 60-14-087 - Boundary Road to Grandview Highway - Municipal share of construction of left-turn northbound extension, be approved.

---

**60-32-062** Storm Drainage Improvements - Sundry Locations.  
CHARGE: 1985 Capital Budget  
 Code 60-32 Storm Extensions. \$ 50,000.

ADDITIONAL INFORMATION: The 1985 Capital Budget contains a provision of \$50,000. for small drainage projects in sundry locations to meet needs as they are identified, and a portion of which make up a program of drainage improvements in the North Burnaby area. The work includes sewer extensions, provision of catch basins, and ditch improvements. Work on sanitary and combined sewer modifications in the North Burnaby area is currently underway utilizing previously approved funds from the sanitary sewer portion of the Capital Budget.

60-32-063 Storm Drainage Improvements - Big Bend Area.  
CHARGE: 1985 Capital Budget  
Code 60-32 Storm Extensions. \$200,000.

ADDITIONAL INFORMATION: The 1985 Capital Budget contains a provision of \$200,000. for drainage problems in the Big Bend area. Your Director Engineering has identified a program for major culvert upgrading and ditch improvements. This work is seen as the initial phase of a comprehensive storm drainage management program throughout the Big Bend. The professional consulting engineering firm of Kerr Wood Leidal Associates has been commissioned to assist the Corporation in the development of this program. The initial work will be undertaken in the vicinity of 12th Avenue and Meadow and upstream to Marine Drive where recent flooding has been experienced.

60-14-087 Boundary Road at Grandview Highway -  
Municipal share of construction of left-turn northbound extension.  
CHARGE: 1985 Capital Budget  
Code 14 Traffic Management. \$15,000.

ADDITIONAL INFORMATION: The existing bay was constructed in the late 1960's but is now inadequate. The proposed extension will accommodate an additional ten (10) vehicles. The City of Vancouver has approved their share of the work which is to be done by the City.

---

\$265,000.
