RE: REQUEST FOR ATTENDANCE BY THE CHIEF PUBLIC HEALTH INSPECTOR
AT THE CANADIAN INSTITUTE OF PUBLIC HEALTH INSPECTORS CONFERENCE
ON "HEALTH AND THE INDOOR ENVIRONMENT"
UNIVERSITY OF SASKATCHEWAN, SASKATOON, SASKATCHEWAN
1985 MAY 6 TO 10

RECOMMENDATION:

1. THAT the Chief Public Health Inspector be authorized to attend the 1985 May 6 to 10 Canadian Institute of Public Health Inspectors Conference on "Health and the Indoor Environment", to be held at the University of Saskatchewan, Saskatoon, Saskatchewan.

REPORT

The Health Department, Environmental Health Division, is currently addressing issues such as bylaws to restrict smoking in public places, asbestos control during renovations to buildings containing asbestos insulation materials and air contaminants related to school occupations.

The subject conference provides an excellent forum for the Chief Public Health Inspector to gain current knowledge and recent practices by other health agencies in the areas of indoor air pollution.

Subjects to be covered are:

- Developments in the Indoor Environment
- Sick Buildings
- Health and the Indoor Environment
- Building Materials and Asbestos
- Urea Formaldehyde
- Radiation
- Humidity and Health
- Cigarette Smoke
- Hospital and School Studies
- Home Sewage Management

The cost for attendance by the Chief Public Health Inspector is \$930.00.
