

ITEM 2
MANAGER'S REPORT NO. 33
COUNCIL MEETING 85/05/06

Re: REFUSE INCINERATION PLANT IN BURNABY

MUNICIPAL MANAGER'S RECOMMENDATION:

1. THAT this report be received for information purposes only.

REPORT

During the Council meeting of 1985 April 29, staff were asked to examine further the resolution put forward by Alderman Drummond and the comment of G.V.R.D. staff with respect to the Refuse Incinerator in Burnaby, and to submit a report for a later special meeting of the Council to which the Regional Manager would be invited.

The Chief Public Health Inspector has advised that he does not expect to be able to complete his analytical work and discussions with G.V.R.D. staff until about 1985 May 31. The Regional Manager has indicated his willingness to attend a meeting either June 3 or June 10 prior to the regular Council meeting. The Municipal Manager intends to bring forward the report requested in time for a meeting on one of those dates, subject to the call of the Chair for such a meeting.
