TO: MUNICIPAL MANAGER 1986 AUGUST 13

FROM: DIRECTOR ENGINEERING

SUBJECT: "FUN RUN AND ROLL" - CANADIAN WHEELCHAIR SPORTS  
ASSOCIATION REQUEST TO CONDUCT EVENT

RECOMMENDATION:

THAT Council approve the request to conduct a "Fun Run and Roll" at the time, date, and along the proposed route requested subject to the conditions stated within this report.

R E P O R T

This event was previously conducted on 1985 September 08 along the same route as requested for this year's event. As we experienced no problems with the previous event we anticipate similar results this year. Therefore we are recommending that Council approve the event at the time and date and along the route requested subject to the following conditions:

1. THAT the event be conducted under the direction of one person as marshall or organizer, and
2. THAT the Ministry of Transportation and Highways permission to use Kingsway be obtained, and
3. THAT the R.C.M.P. provide the necessary escort to permit the use of the roadways by wheelchairs, and
4. THAT the participants be informed that they are to obey all traffic regulations, including the directions of police officers, and
5. THAT the participants be requested to respect the safety and rights of other individuals encountered enroute.

The R.C.M.P. concur with the conditions and recommendation of this report.
