Appearing on the agenda is a letter from Mr. Ken Cameron, City Planner, City of New Westminister, providing information on that city's review of its downtown Official Community Plan and soliciting comment from Burnaby in accordance with Section 947 2(b) of the Municipal Act. This section of the Act is intended to provide an opportunity for adjoining Municipalities to comment on an Official Community Plan in those instances where it affects an area of that Municipality. Staff have reviewed the materials provided and will be attending one of the scheduled public meetings associated with the plan with a view to assessing any likely impacts the plan could have on this Municipality. A follow-up report will be provided to Council in order that the appropriate response can be communicated to the City of New Westminister.
