TO: MUNICIPAL MANAGER 1986 04 16
 FROM: DIRECTOR ENGINEERING
 SUBJECT: WORK ORDER NO'S. 60-09-056, MANOR STREET SIDEWALK AND BOULEVARD, AND 60-60-014, MUNICIPAL HALL RENOVATIONS

RECOMMENDATION:

THAT Work Order No's. 60-09-056, Manor Street sidewalk and boulevard, and 60-60-014, Municipal Hall renovations, be approved.

60-09-056 Special Road Projects, Manor Street and Gilmore Avenue - Municipal share (intersection) of sidewalk and associated boulevard improvements done in conjunction with Rezoning Reference No. 107/85.
CHARGE: 1986 Capital Budget
 Code 60-09, Special Road Projects \$1,242

ADDITIONAL INFORMATION: In order to provide continuity of the sidewalk to the intersection of Manor Street and Gilmore Avenue, it is expedient to carry out the Municipal portion of the work in conjunction with the work fronting Rezoning Reference No. 107/85 (north side of Manor Street east of Gilmore Avenue).

60-60-014 Municipal Hall renovations and minor building alterations.
CHARGE: 1986 Capital Budget
 Code 60, Municipal Hall \$90,000

ADDITIONAL INFORMATION: The Parks and Recreation Department, the Engineering Department, and the Legal Department find it necessary to make better utilization of available space, which is becoming more scarce each year. The needs arise now because of a combination of incorporating new management information equipment into the departments, reorganization needs, and reassignment of duties. Funds have been specifically allocated for this purpose in the 1986 Capital Budget, Account 60-60-01.

\$91,242
