MANAGER'S REPORT NO. 44
COUNCIL MEETING 86/07/21

RE: CORRESPONDENCE FROM MRS. M. WU, 2132 MEADOWOOD PARK
REGARDING AIR EMISSION ODOURS FROM
PETROLEUM PRODUCT STORAGE FACILITIES

MUNICIPAL MANAGER'S RECOMMENDATION

1. THAT this report be received for the information of Council.

REPORT

Appearing on the 1986 July 21 Council Agenda are two items of correspondence from Mrs. M. Wu, 2132 Meadowood Park regarding air emission odours from Trans Mountain Pipeline Co. and Shell Canada's tank farm facilities. Mrs. Wu's 1986 July 16 letter requests a private meeting in order that concerned residents can be informed on the situation.

In preparing for the development of a Manager's Report Item on this subject, the Municipal Manager spoke to Mrs. Wu on July 18. As a result of that conversation, at the suggestion of the Municipal Manager, Mrs. Wu has agreed to an informational meeting between the concerned residents, Municipal Manager and other municipal staff and G.V.R.D. Air Quality Officials. The meeting will be held at the Municipal Hall on Thursday, 1986 July 24, at 7:00 p.m.

This meeting will allow residents the opportunity to ask questions of Municipal and G.V.R.D. Staff in order that they can be better informed prior to appearing as a delegation to Council.

Correspondence has been forwarded to Mrs. Wu confirming the meeting arrangements.
