

ITEM 2
MANAGER'S REPORT NO. 8
COUNCIL MEETING 86/02/03

RE: WORK ORDER:

NO. 60-30-053 Sanitary Sewer Pump Station at Keith and Joffre

MUNICIPAL MANAGER'S RECOMMENDATION:

1. THAT the recommendation of the Director Engineering be adopted.

* * * * *

TO: MUNICIPAL MANAGER 1986 01 29

FROM: DIRECTOR ENGINEERING

SUBJECT: WORK ORDER NO. 60-30-053 -
SANITARY SEWER PUMP STATION AT KEITH AND JOFFRE

RECOMMENDATION:

THAT Work Order No. 60-30-053 - Sanitary Sewer Pump Station at Keith and Joffre, be approved.

60-30-053 Keith Street at Joffre Avenue -
To design and construct a sanitary sewer
pumping station. Design No. 850048.

CHARGE: 1985 Capital Budget \$120,000
Code 30 - Sanitary Sewer Mains

ADDITIONAL INFORMATION: The 1985 Capital Budget contains a provision of \$120,000 for the design and construction of a municipal sanitary sewer pumping station in the vicinity of Keith Street and Joffre Avenue. This pumping station would be the first phase of providing services for municipal and private industrial sites within the Boundary Road/Marine Way area. With the recent completion of Marine Way and the pending opening of the Annacis crossing it is anticipated that industrial development will be attracted to this part of the Big Bend area. The construction of this pumping station should further encourage such development.

\$120,000
