FROM: DIRECTOR FINANCE  
RE: TENDER FOR TWO (2) TANDEM AXLE TRUCKS  
COMPLETE WITH 34 CU. YD. FRONT LOADING REFUSE PACKERS

RECOMMENDATION:

1. THAT a purchase order be issued to the lowest acceptable bidder, A.M.I. Steego, for the supply and delivery of two (2) only 1987 Western Star Xpeditor tandem axle trucks c/w Dempster DP-80-34 packers for a total net sum of \$292,248.15.

REPORT

Tenders for the subject equipment were received up to 3:00 p.m. local time on Wednesday, 1986 July 16.

Five (5) tenders were received and opened in the presence of Municipal staff and representatives of the firms bidding.

The two units to be purchased will replace two 1977 Kenworth trucks with Dempster packers (Unit Nos. 324 and 325) which will be sold by auction upon receipt of the replacement units.

The replacement of the two units is provided for in the 1986 Capital Budget with funds coming from the Equipment Replacement Reserve.

A tabulation of the tenders received is attached.

The recommended units are the same make and type as units which have been in use by the Corporation since 1977. Burnaby Engineering staff is completely satisfied with the performance of these units over the past nine years.

The Purchasing Agent concurs with the Director Engineering's recommendation that a purchase order be issued to the lowest acceptable bidder, A.M.I. Steego, for the supply and delivery of two (2) only 1987 Western Star Xpeditor tandem axle trucks c/w Dempster DP-80-34 packers for a total net sum of \$292,248.15.
