TO: MUNICIPAL MANAGER 1985 12 31

FROM: DIRECTOR ENGINEERING

SUBJECT: WORK ORDER NO. 60 70 114 -- REISSUE

RECOMMENDATION:

THAT Work Order No. 60 70 114, Vehicle Crossings Municipal Subdivision, be approved.

60 70 114 Glen Abbey Drive  
 Construct Vehicle crossings to Lots 281, 283, 287,  
 288, 290, and 303  
 Municipal Subdivision S/D 44/79  
CHARGE: 1985 Capital Budget  
 Code 70, Land Assembly & Development \$2,700

ADDITIONAL INFORMATION: Work Order 60 70 092 and 60 70 114 were issued in January 1983 to cover the cost of vehicle crossing construction in the Glen Abbey Municipal Subdivision. It is Corporation policy to construct vehicle crossings at no charge to lots sold by the Corporation to fulfill our obligation to sell fully serviced lots. The crossings are constructed when building plans have been submitted and building permits issued. The original work orders were raised to cover the cost of 44 vehicle crossings. Five crossings remain to be constructed. The lengthy delay between issuance of the original work orders and actual construction has resulted in required funds being underestimated. It is necessary to reissue Work Order 60 70 114 by an additional \$2,700 to cover the shortfall.
