RE : LICENCE AGREEMENT RENEWAL FOR THE BURNABY AND REGION ALLOTMENT GARDENS ASSOCIATION

---

RECOMMENDATION:

1. THAT Council authorize the execution of a renewal of the Licence Agreement with the Burnaby and Region Allotment Gardens Association for the period 1986 December 01 to 1991 November 30.

REPORT

At its meeting of 1982 February 08, Council authorized a five year Licence Agreement with the Burnaby and Region Allotment Gardens Association.

The Licence granted the Association the right to operate a recreational garden program on a non-profit basis. The site is 14.2 acres of Municipal land located south of Marine Drive; Block 6, District Lot 155A, Plan 1249, Group 1 NWD.

At the same time that the Licence was approved Council assigned the management of the property to the Parks & Recreation Commission. The existing Licence expires on 1986 November 30 and the Commission has received a request for renewal of the Licence Agreement.

A staff report received by the Commission at its meeting of 1986 October 01 advised that the Allotment Gardens Association has fulfilled all of its obligations over the five years and has run a successful program which is an asset to the Community. Consequently the Commission requests that Council approve a renewal from 1986 December 01 to 1991 November 30.
