TO: MUNICIPAL MANAGER 1986 DECEMBER 02

FROM: DIRECTOR ENGINEERING

SUBJECT: WORK ORDER NO. 60-21-062
WATERMAIN EXTENSION - DEER LAKE DRIVE

RECOMMENDATION:

THAT Work Order No. 60-21-062 - Watermain Extension - Deer Lake Drive, be approved.

60-21-062 Watermain Extension - Deer Lake Drive
CHARGE: 1986 Capital Budget \$ 40,000
Code 21, Mains, Pumping Stations, etc.

ADDITIONAL INFORMATION: This work order is to cover the cost of construction of a watermain along the extension of Deer Lake Drive. Council at its meeting of 1986 January 27 had authorized that negotiations commence for the acquisition of the easements across Deer Lake Drive properties for watermain and sewer purposes.

Negotiations have been concluded for a watermain easement and the documents have been deposited for registration at the Land Title Office. The estimated cost of the watermain extension is \$40,000; funds for which are provided in the 1986 Capital Budget.

If or when a sanitary sewer is constructed in this area to connect to the Corporation's Sewer Utility system, the property owners have indicated that they would consider an easement request at that time.
