TO : MUNICIPAL MANAGER
FROM: DIRECTOR RECREATION & CULTURAL SERVICES
RE : CONTRIBUTION OF CAPITAL FUNDS - TEXACO CANADA LTD.

RECOMMENDATION:

1. THAT this report be received for information.

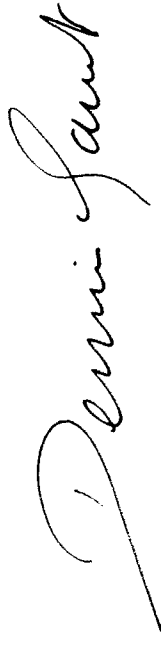

REPORT

At its meeting of 1986 June 04 the Parks and Recreation Commission received a staff report advising that Texaco Canada has offered to contribute \$18,000 (approximately 50%) of the cost of developing a portion of the Barnet Marine Park foreshore walkway. The offer is made on the understanding that this portion of the walkway will be known as the "Texaco Trail".

The practice of the Commission is not to name trails. However, the participation of the private sector in funding public facilities is commendable and staff suggest that recognition of this cooperation is appropriate. Consequently staff propose that the Commission make an exception to its usual practice and concur with the naming of this portion of the foreshore walk as the "Texaco Trail".

The Commission approved the following recommendations of the report:

1. THAT a portion of the Barnet Marine Park foreshore trail be known as the "Texaco Trail".
2. THAT a copy of this report be forwarded for the information of Council.
