

REPORT
REGULAR COUNCIL MEETING
1987 FEBRUARY 16

THE CORPORATION OF THE DISTRICT OF BURNABY
CRIME PREVENTION COMMITTEE

HIS WORSHIP, THE MAYOR
AND ALDERMEN

Madam/Gentlemen:

REPORT OF THE CRIME PREVENTION COMMITTEE

RECOMMENDATIONS:

1. THAT the Crime Prevention Committee be authorized to hold three (3) public meetings during 1987 March and April for the purpose of allowing members of the public to voice their concerns about crime and crime prevention in this community.
2. THAT the Crime Prevention Committee be authorized to circulate a questionnaire to certain groups in the community in order to gather data and opinions regarding crime and crime prevention.

R E P O R T

The Crime Prevention Committee at its meeting of 1987 February 04 established its Terms of Reference and an agenda for action which included the following:

- . Provide an opportunity for input from the general public by means of written briefs and presentations at public meetings
- . Identify the public's concerns
- . Seek input from experts in related fields.

Your Committee felt that in order to effectively deal with the subject of crime and its prevention in our community it must first identify areas of general and/or particular concern to its citizens. It was felt that it would be appropriate to host three (3) public meetings in late March and April. Advertisements would be placed in Burnaby Now inviting public participation and outlining the details of the proposed meetings.

Further, your Committee feels that these meetings will provide an opportunity to gather information as to what types of crime most concern this community and what crime prevention programs should be initiated or expanded. It was concluded a questionnaire, including notice of the public meetings, circulated to certain groups in the community would be an effective assist.

Funding for such Committee activities is included in the 1987 Provisional Budget within the "Committees and Boards" account.

In conclusion, your Committee requests Council's approval to hold these three (3) public meetings within the above mentioned time frame and upon Council's approval, times, dates and locations will be finalized by your Committee.
