RE: SUBDIVISION REFERENCE #35/85
WEDGEWOOD STREET/FOURTH STREET

RECOMMENDATION:

1. THAT this report be received for the information of Council.

REPORT

At the Council meeting of 1987 June 01, a question was raised as to the status of the subject municipal subdivision.

We would advise that the approval from Victoria to the Road Closure By-law was recently received and we are pursuing completion of the final subdivision and right-of-way plans and related documents, together with the remaining servicing (installation of the underground hydro and telephone utilities). It is anticipated that the work will be completed by the end of July.

When the above requisite subdivision conditions have been completed, a report will be forwarded to Council requesting authority to proceed with the sale of the lots by public tender.

This report is submitted for the information of Council.
