RECOMMENDATION:

THAT the 1986 Community Health Services Annual Report be received for information purposes.

R E P O R T

Enclosed in Council's envelopes is the Health Department's Community Health Services Annual Report for 1986. It represents, I believe, an excellent summary of policy issues and operational management statistics in the department, and reflects the ongoing commitment of the Medical Health Officer and her staff to a well managed and high quality public health program in our community.

Copies of the report are available on request from the Health Department.

Robert H. Moncur
Director Administrative
& Community Services
