REPORT OF THE LIBRARY BOARD

Dear Madam/Sirs:

RE: METROTOWN RESOURCE LIBRARY

RECOMMENDATION:

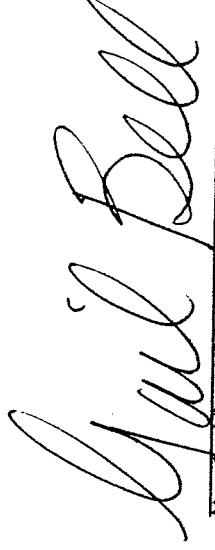

1. THAT this report be received for information purposes.

REPORT

Close liaison has been maintained by the Burnaby Public Library Board and staff with James K. M. Cheng Architect during the design phase of the proposed Metrotown Resource Library. The Architect has attended numerous Library Board meetings and the Board has had ample opportunity to discuss the project at each stage of its development. The Architect responded positively to the Board's concerns and suggestions and the Library Board formally approved the Architect's design for the Metrotown Resource Library at its meeting of 1988 July 21.

It is the Board's hope that construction of the new library building can proceed without delay.

Respectfully submitted,

Ms Gail Bell
Chair
