

THE CORPORATION OF THE DISTRICT OF BURNABY

ADVISORY PLANNING COMMISSION

HIS WORSHIP, THE MAYOR  
AND ALDERMEN

Madam/Gentlemen:

REPORT OF THE ADVISORY PLANNING COMMISSION

1. VALIDITY OF ON SITE PARKING REQUIREMENT  
FOR BOTH RESIDENT AND VISITOR PARKING IN  
MULTIPLE FAMILY DWELLING DEVELOPMENTS

Recommendation:

"THAT Council be requested to review the on site parking requirement for both resident and visitor parking for all multiple family dwelling development in Burnaby."

REPORT

Please be advised that the Advisory Planning Commission, at the regular meeting held on 1988 June 16, expressed concern with respect to the on site parking requirement for both resident and visitor parking in multiple family dwelling developments.

The Advisory Planning Commission is of the opinion that a review should be undertaken to determine if the current requirement for both resident and visitor parking in multiple family dwelling developments is valid.

Respectfully submitted,

---

Mr. Hans Holst  
CHAIRPERSON
