The touring group which has been selected to represent Canada in Wales, will also be performing at Westminster Abbey, Canada House, B.C. House, Canterbury and in some European locations. Six children from Burnaby are members of this group.

The speaker advised that this is the first time the choir has approached public bodies for funding, but because the competition is so far away and the expense of sending 35 children plus chaperones and music personnel is so great, the support of various communities is being requested.

SECONDED BY ALDERMAN SAWICKI:
