

RE: MARINE WAY/10TH AVENUE CONNECTOR  
CAPITAL WORKS BYLAW

ACTING MUNICIPAL MANAGER'S RECOMMENDATION:

1. THAT the recommendation of the Acting Director Engineering be adopted.

\* \* \* \* \*

TO: ACTING MUNICIPAL MANAGER 1989 APRIL 24

FROM: ACTING DIRECTOR ENGINEERING

SUBJECT: MARINE WAY/10TH AVENUE CONNECTOR  
CAPITAL WORKS BYLAW

PURPOSE: TO OBTAIN COUNCIL AUTHORITY FOR STAFF TO BRING  
DOWN A CAPITAL WORKS MACHINERY AND EQUIPMENT  
RESERVE FUND EXPENDITURE BYLAW IN THE AMOUNT OF  
\$1.2 MILLION FOR THE ACQUISITION OF PROPERTIES  
AND CONSTRUCTION OF THE MARINE WAY/10TH AVENUE  
CONNECTOR ROAD PROJECT

RECOMMENDATION:

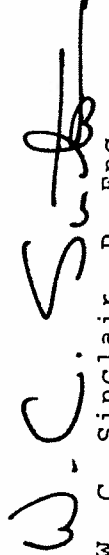

1. THAT a Capital Works Machinery and Equipment Reserve Fund Expenditure Bylaw in the amount of \$1.2 million be brought forward for the acquisition of properties and construction of the Marine Way/10th Avenue Connector road project.

REPORT

The 1988-1992 Capital Budget included an amount of \$3.0 million for the Marine Way/10th Avenue Connector road project. This is part of the continuing program to acquire necessary right-of-way and construct this major transportation link. Provincial Revenue Sharing approval has been received in the amount of \$600,000 for this component of the project.

At its meeting of 1988 October 17, Council authorized staff to negotiate the acquisition of a number of properties on the approved alignment for the Marine Way/10th Avenue Connector. The Municipal Solicitor has been negotiating with the various property owners and has come to an agreement with two of the owners. The report dealing with those acquisitions is on this same Agenda. In order to finance these acquisitions and to meet the completion dates that have been negotiated, it is recommended that a Capital Works Machinery and Equipment Reserve Fund Expenditure Bylaw in the amount of \$1.2 million be brought forward for right-of-way acquisitions and construction as soon as possible so that the Corporation is in a position to complete the property transactions.
