

THE CORPORATION OF THE DISTRICT OF BURNABY

TRANSPORTATION COMMITTEE

HIS WORSHIP, THE MAYOR
AND ALDERMEN

Madam/Gentlemen:

REPORT OF THE TRANSPORTATION COMMITTEE
Re: North Burnaby Transit Area Plan

RECOMMENDATION:

1. THAT this report be received for information purposes.

R E P O R T

Council, at the regular Council Meeting held 1989 May 08 received a report from the Director Planning and Building Inspection concerning the North Burnaby Transit Area Plan and adopted the recommendation contained therein to refer subject report to the Transportation Committee for further consideration. The purpose of the report was to provide Council and the Transportation Committee with a discussion paper on the North Burnaby Transit Area Plan which was to form the basis for preparation of a submission to the Vancouver Regional Transit Commission at its meeting on 1989 June 01.

The Transportation Committee, at its meeting held 1989 May 11 received this discussion paper. It is the opinion of the Transportation Committee that as this was the first time the Committee, as a whole, had seen this information and given the time frame the Committee had to consider it (three days) there was insufficient time for detailed consideration of the report's content. The Committee understands that a submission must be made to the Vancouver Regional Transit Commission by June 01 and therefore wish to advise Council that, as they were unable to form an opinion on the proposals contained within the report, they have no recommendations or comment to make to Council.

The Committee wish to advise Council that they are most interested in being given the opportunity to receive information on future phases of the North Burnaby Transit Area Plan and that suitable time be allowed for the Committee to conduct a comprehensive review of same.
