COUNCIL MEETING 89/10/16

RE: CONTRACT NO. 8922
SUPPLY AND DELIVERY OF DRAINAGE PUMP UNITS FOR THE MEADOW AVENUE PUMP STATION

MUNICIPAL MANAGER'S RECOMMENDATION:

1. THAT the recommendation of the Director Finance be adopted.

* * * * *

TO: MUNICIPAL MANAGER 1989 OCTOBER 11
FROM: DIRECTOR FINANCE
SUBJECT: CONTRACT NO. 8922 - SUPPLY AND DELIVERY OF DRAINAGE PUMP UNITS
FOR THE MEADOW AVENUE PUMP STATION
PURPOSE: To obtain approval to award a contract for the supply and
delivery of drainage pump units for Meadow Avenue pump station

=====

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Flygt Canada, for the supply and delivery of drainage pump units for the Meadow Avenue pump station for a total cost of \$166,547.20.

REPORT

Two tenders for the supply and delivery of drainage pump units for the Meadow Avenue pump station were received by closing time of 3:00 p.m. Thursday, 1989 September 21, and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

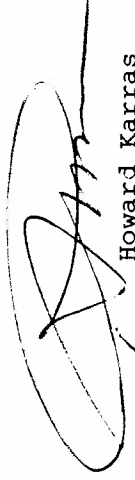

The work of the contract involves the supply and delivery of two submersible type drainage pumping units complete with discharge columns.

The Engineer's estimate for the pumps is \$180,000.00.

Burnaby has numerous Flygt pumps in operation throughout the municipality. Engineering staff are satisfied both with the equipment and with the service provided by Flygt, and are confident that the units tendered will perform as expected.

The funding for this equipment is provided in the 1989 Capital Budget under Storm Sewers.

The Director Engineering and our consultant, Kerr Wood Leidal Associates Ltd., concur with the above recommendation.
