PURPOSE: To request authorization for the Economic Development Coordinator to attend a national conference on Sustainable Development entitled "Environment and Economy Partners for the Future".

=====
RECOMMENDATION:

1. THAT the Economic Development Coordinator be authorized to attend the conference "Environment and Economy Partners for the Future" in Winnipeg at an estimated cost of \$1400.00.

R E P O R T

A conference on Sustainable Development entitled "Environment and Economy Partners for the Future" is being held in Winnipeg from 1989 May 17 to 19 Inclusive. This national conference on Sustainable Development is being organized by the Government of Manitoba.

The purpose of the conference is to "explore ways and means of Integrating environmental concerns with business planning and decision making in both public and private sectors." The organizers have assembled an impressive list of keynote addresses and panel sessions. These addresses and sessions will be given by many of the most prominent Canadians and international experts from the private, public and academic sectors in the field of Sustainable Development. Topics that are particularly relevant to this Municipality include Policies and Processes to Achieve Sustainable Development, New Methods for Improved Decision Making, Business and Sustainable Development - Impacts and Opportunities, Environmental Regulation and Economic Incentives, and Attitudes and Behaviours Required to Achieve Sustainable Development.

ITEM	Supplementary	12
MANAGER'S REPORT NO.		30
COUNCIL MEETING	89/04/24	

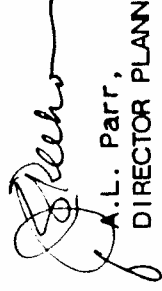

It is our view that this conference will provide our Economic Development Coordinator with an excellent opportunity to examine the process required to create a partnership - between environment and economy - and the challenges in making that partnership a productive one. Accordingly, it is recommended that the Economic Development Coordinator be authorized to attend the subject conference at an estimated cost of \$1400.00. Funds are available in the Municipal Manager's Conference budget.
