The organizers are aware that approval is subject to the following conditions:

1. That the race be conducted under the supervision of one person as marshal or organizer.

Dear Mr. Babcock:

Further to our telephone conversation, I have enclosed an application form to the "Sasview Triathlon" event we are holding on July 9.

As you can see from the map on the reverse side of the application, the event commences with a swim at Sasamat Lake at 7:00 a.m. The athletes will then ride their bikes down First Avenue to Iocco Road, to St. Johns and up Thermal Drive to Como Lake Avenue, then down to Mariner to Loughed Highway. They follow Loughed to Bell Avenue in Burnaby, up to Cameron St. to Cameron Fitness Centre. We estimate this first portion of the bike route will take place between 7:30 and 9:00 a.m. The run route goes up Burnaby Mountain via trails then down Gagliardi Way to Forest Grove Rd. on the sidewalk, over the pedestrian overpass back to Cameron Centre. This will take place between 8:00 and 11:00 a.m. The second portion of the bike route then goes up Cameron to North Road, to Clark Avenue, to St. Johns to Gilmore (back route) via Moody Rd. and back to Sasamat Lake via Iocco Road and First Avenue. This portion will take place between 9:00 a.m. and 12 noon. The wide span of time is due to the various levels of the athletes, but we emphasize that this event is for seasoned athletes who follow the rules of the road.

We would like to have traffic control at major intersections which could be provided by our volunteers and would appreciate any assistance or advice you could offer us at this time.
