RECOMMENDATION:

1. THAT Council approve the appointments of Mayor Copeland, Alderman Drummond and Alderman Rankin to the Electronic Information Systems Review Committee and further;
2. THAT Council approve of the appointment of Mayor Copeland as Chairman of the Electronic Information Systems Review Committee.

REPORT

At the regular Council Meeting held on 1988 December 12 Council adopted the following motion:

1. "THAT His Worship, Mayor W. J. Copeland, strike a committee to set out the Terms of Reference for an evaluation of the post-implementation of, and develop a future strategy for, the electronic information services in Burnaby and further, that the committee be granted authority to hire a consultant as required."

In compliance with Council's direction, I am striking a committee to be named the "Electronic Information Systems Review Committee" and I would recommend that Alderman Drummond, Alderman Rankin and myself be appointed to the committee for which I will serve as Chairman.

William J. Copeland
MAYOR
