A. Centennial Committee

In 1992 Burnaby celebrates its 100th birthday and to ensure a well organized celebration it is necessary to begin to plan for this event much in advance. The responsibility for planning and organizing our Birthday Celebrations would be best handled by a committee with similar responsibilities to that of the 1984 Summer Games Committee.

Therefore I am recommending the establishment of a Centennial Committee which includes both a Steering Committee and a Sub Committee.

B. Family Court Committee

The Family Court Committee has recently received the resignation of two of its members. Ms. Leslie Kerr and Mr. Edward Aske resigned due to changes in circumstances which will not permit them to attend further committee meetings. The workload facing this Committee requires that a full complement of members be available to assist with committee projects and therefore I am recommending the appointment of two new committee members.
