TO: MUNICIPAL MANAGER 1989 August 29

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 8917 - GILLEY ALTERNATE:
TEMPORARY 10TH AVENUE CONNECTOR
(Item 13, Report No. 51, 1989 August 08)

PURPOSE: To obtain approval to award a contract for the
construction of the temporary 10th Avenue Connector.

=====
RECOMMENDATION

1. THAT a contract be awarded to the lowest bidder, Atlantic Contractors Ltd., for the construction of the temporary 10th Avenue Connector, for a total cost of \$565,275.45 with final payment based on actual quantities and unit prices tendered.

REPORT

At its regular meeting on 1989 August 08, Council adopted the recommendation that the Municipal Manager be authorized to approve commencement of construction of the 10th Avenue Connector. In the report it stated that staff would follow up with a report to Council seeking a contract award and ratification of the decision of the Municipal Manager.

Subsequent to the receipt and analysis of the tenders, the Municipal Manager approved commencement of construction by the lowest bidder, Atlantic Contractors Ltd.

In response to our advertised invitation to tender, we received six tenders which were opened by municipal staff at a public opening immediately following the closing time of 3:00 p.m., Friday 1989 August 18. A tabulation of the tenders received is attached.

The work of the contract consists of the supply and installation of materials, including all labour, equipment, plant and tools related to the construction of 7.3 m wide road all in accordance with Municipal specifications.

ITEM 2
MANAGER'S REPORT NO. 55
COUNCIL MEETING 89/09/05

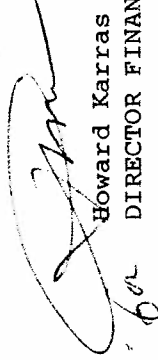

The Director Engineering's estimate for this work is \$577,000.00.

The recommended bidder, Alantic Contractors Ltd., is an established and reputable company and has performed very well in several jobs completed for the Corporation within the past five years. Recently Alantic Contractors Ltd. completed Contract No. 8823 for the Corporation (Stride Avenue Landfill Gas Migration) and staff was more than satisfied with their performance. The Director Engineering and our consultant, Reid Crowther & Partners Ltd., do not hesitate in recommending Alantic Contractors Ltd. to perform the subject work.

The work is identified in the Capital Budget under Major Roads. Funds for the work will come from the \$2.2 million appropriated from reserves by Bylaw No. 9261.

106

The Director Engineering and our consultant, Reid Crowther & Partners Ltd., concur with the above recommendation.
